Hi Brian,

We have not heard back from the city which date works and are in limbo.

My staff was planning to use heavy equipment and throw all of the stuff away since we can't touch or sanitize. If this isn't okay with the City, we will need your help.

Good Morning Deborah & Garegin,

Had a location requesting assistance. There is currently a large encampment on Private property that belongs to Cal Trans. It would be great if we can coordinate with Sanitation to remove the encampments. Let me know if you are able to assist?

Once again thank you for your assistance and let me know if you can not at this time. Looking forward to a representative being here soon.

Respectfully,

Police Officer II Ramirez, Marco #40604
